For More than Twenty years, month after month, and year after year the above cut has appeared in "The Numismatist", used by Mr. Arnold as proprietor of, ARNOLD NUMISMATIC COMPANY, of Providence.

He established his coin business in 1879, and conducted it successfully up to 1935. At that time, due to failing health, the business was discontinued.

The First Portion of this Stock

RARE U. S. Gold, Silver and Copper Coins

is listed in this, my

SIXTH AUCTION SALE

Which will be held at the

Parker House, Boston, on May 16, 1939

REFER TO OUR INDEX ON PRECEDING PAGE, IT WILL ASSIST YOU IN LOCATING THE COINS YOU ARE INTERESTED IN

BID SO MUCH PER PIECE, unless otherwise stated

AN EXPERIMENTAL OFFER

When you buy stocks for an investment, how do you determine the value? First, by the advice of your broker, and second, by watching your daily quotations in the newspapers or on the board.

HOW DO YOU KNOW WHAT TO BID ON COINS AT AUCTIONS? Why not apply the same methods you would use in buying stock? You have the "Standard Catalogue," issued yearly; a necessary guide and reference book, but prices change from month to month. What better guide could you have than a PRICED SHEET, giving the amount each lot brought at AUCTION? You may say that fifty cents is too much to pay for the printed price list of Auction Sales, yet this service adds from twenty-five to fifty dollars additional cost to my Auction service.

To guide you in future bidding, I am making the following experimental offer:

SEND ME TWENTY CENTS IN STAMPS when you mail in your bids and you will receive a priced sheet showing amount realized on each lot. This offer is for orders RECEIVED WITH REMITTANCE BEFORE THE SALE. Price after the sale will be fifty cents, as heretofore. Only increased orders for this price list will permit me to continue the service.

For TWENTY CENTS IN STAMPS you can compare the amount of your bids with those realized and use this PRICED SHEET for future guidance in bidding. A file of prices realized at Auctions during 1939 will give you a permanent record and enable you to keep in touch with market values from month to month, instead of from year to year.

REMEMBER, TWENTY CENTS IN STAMPS BEFORE THE SALE, fifty cents after the Sale.

HAVE YOU A COIN COLLECTION TO SELL?
